15 Banksia Street, Zuccoli

Award Winning Home 2017

Have you ever walked into a display home and thought to yourself – I wish I lived like this – well now you can! This award winning gorgeous home is another quality build by the team at Alpha Homes and this property has all the high end finishes you would expect to find in a premier display home.

As you would expect, the home is a show stopper! At the front is garage parking for two with a manicured garden and stepping stones that lead through to the formal front entry. Inside the home is a formal living room or media room with dark walls and A/C.

At the back of the home is a large scale open plan living, dining and kitchen area with tiled flooring underfoot and a wall of sliding doors that open onto the large rear entertaining area. The kitchen is gorgeous and boasts a butler's pantry along with overhead storage, mounted appliances and a feature built in breakfast bar that is designed to impress.

The master bedroom is located at the rear of the home and includes a feature wall behind the bedhead for a dramatic statement piece. On either side of the bed, low pendant lights add another element of style. The ensuite bathroom is sleek and modern with feature herringbone tilework
