

Luxurious Living in a Private Setting.

This modern apartment uses quality finishes and a great design to create an easy living lifestyle of luxury.

The layout is cleverly set out with the kitchen and dining area separate to the living room but still maintaining the open-planned space. The living room flows seamlessly on to the private rear patio with a courtyard that is pleasantly landscaped with beautiful rock gardens and low maintenance irrigated plants.

The master bedroom has its own private ensuite and both bedrooms have mirrored built in robes, the two rooms are located at separate ends of the apartment for privacy.

A covered car port and entry to the apartment provide a safe place to park your cars and shelter from our inclement weather.
